PIX LAWN & GARDEN BELTS

PIX have taken the Lawn and Garden industry “by storm” with their highly acclaimed range of “Blue Belts” - a comprehensive offering of Kevlar-corded, Dry Cotton covered belts, made specifically for the Lawn and Garden business. This range is available in a vast spread of standard sizes in 3L, 4L and 5L sections. The range has been extended with Hexagonal belts, Single and Double Sided Timing belts – now the story moves to another level.....

**THE RIGHT “TOOLS”
FOR THE JOB.....**

In addition to the standard range of Blue Belts, we now produce a range of special belts, which are specifically manufactured to suit many of the most popular Lawn and Garden applications. These items are easily identifiable with the manufacturer’s original references, and meet virtually every aspect of the originals in design, construction and performance.
