BELTS & HOSES

## Chains

- Comprehensive range of roller chain -04B to 32B, ASA35 to ASA160, in simplex, duplex and triplex.
- Manufactured to BS228, ISO R606, DIN 8187 & 8188, ANSI B29.1.
- Each link is individually branded. Solid rollers for max impact strength.
- All components are shot-peened and plate holes ball burnished.
- Attractively packaged in quality, oil-resistant, boxes.

Stock orders for chain, with a net value of over £200 will be subject to an additional **15% discount and carriage paid.**

*Closing date 31st August 2008*

*".... we have been truly delighted at the performance of your Power Drive chain. It is a quite remarkable product - we are now able to dispense with stocking two grades of chain. I am confident that it has the quality to handle virtually any application, but we can still be competitive on price. Our customers are now making a point of specifying Power Drive when they order....."*

*Pix Authorised Distributor - 03/05/08*
